## **Transfer procedure:**

### **a. Arrival at Larnaca International Airport, transferred to Heliport:**

The passenger member must clear the immigration and proceed to the baggage claim area. A member of our handling agent will wait for them. He or she will be holding a sign with their name.

Our handling agent will assist them with their luggage and store them at its office from where our taxi driver will pick them up and drop them at their hotel.

Our handling agent will escort our passengers members through passport control at the departures gate, embark them on airport bus and bring them to the runway where the helicopter is parked.

They will be boarded on the helicopter and transferred to Heliport.

At Heliport a taxi will be waiting to take them to their hotel.

**b. Transfer from Heliport to Larnaca International Airport:**

Our taxi driver will pick up the luggage from the hotel; four hours prior to their departure time from Larnaca International Airport and transfer them to our handling agent's offices at Larnaca International Airport.

Arrangements will be made so passengers members should be at Heliport , 30 minutes prior to the take off time from Heliport. Take off from Heliport should be 3 hours prior to the aeroplane departure time from Larnaca International Airport. Our taxi will pick the passengers members at the agreed time from their hotel and bring them to Heliport.

After receiving the safety instructions and getting their passports scan, they will be boarded on the helicopter and transferred to Larnaca International Airport.

At Larnaca International Airport our handling agent will pick them up from the runway with an airport bus and escort them through passport control to his offices where they will pick up their luggage.

From there they can proceed to the checking in counters at the departures lounge by themselves.

**c. Advance notice:**

A three working days advance notice is needed to make all the necessary arrangements for the transfer. It is necessary for all passengers to be members so we need to know in advance their names, passport numbers and nationality so we register them and get their membership cards issued.

If there is a delayed flight we need to be informed four hours in advance so we can make all the necessary arrangements.

**Take off time, from Heliport.**

It should be, three hours prior to the departure time of the flight from Larnaca International Airport.

**or**

**Pick up time, from Larnaca International Airport.**

It should be the time the passengers members identify themselves to our handling agent at the baggage claim area. There is a grace period of 30 minutes, from the set pick up time, for passengers members to identify themselves to our handling agent without any stand-by charges been applied.

We do advice, to set up the pick up time 30-45 minutes after official landing time of the flight. Never the less it is entirely up to the individual to estimate and set the pick up time.
